Dear Lee Kolinsky:

While reading the Merrick Herald Life, I noticed an article in regards to *Generation Change*. I wanted to take this opportunity to commend you for your dedication to the youth in destitute communities. This is such a wonderful contribution to the youth of America and I appreciate all of your efforts. Please keep up the great work; you are truly making a difference!

Once again, my best to you in the future and do not hesitate to contact me if I can be of assistance. I have enclosed my business card for your convenience.

All the Best,

ERIN KING SWEENEY
Councilwoman
