

KIRSTEN GILLIBRAND
NEW YORK

UNITED STATES SENATOR

May 3, 2018

Dear Friends,

It brings me great pleasure to send greetings to everyone attending this special screening of *Generation Change*.

This film shines a light on the issues affecting today's youth and seeks to empower them through social awareness. At a moment when young people across the nation are raising their voices to demand change, *Generation Change* can serve as a conversation starter for teens to engage with the issues that matter most to them. It is my hope that by elevating young voices we engage a new perspective that can strengthen our communities.

As you listen, watch, and discuss tonight, please know that I am celebrating your success.

Sincerely,

A handwritten signature in blue ink that reads "Kirsten Gillibrand".
